Dear Rick:

I hope you will pass along my thanks to RLEP for your support of Rapp Nature Camp--not only in 2016 but in past years as well. Most likely, the first camp never would have happened without RLEP. I remember well the very first year at the Shaw House at Rock Mills in 1986, when RLEP was actually a co-sponsor of the camp, along with PEC. The history of Rapp Nature Camp has had many twists and turns since then, but RLEP's support has been unflagging. We are now in a period of transition to a higher level of operation, and as a fully independent nonprofit organization, support from others in our community will be more important than ever. With our new organization, we have hopes of expanding our educational program to include older children and adults, and to serve as an example and advisor to other similar camps in other communities.

I hope someday to see you at camp!

Sincerely,

Lyt Wood, Director
Rappahannock Nature Camp
